

TOYS TO SHARE JOY

*Young's Appliance
cares about our community...*

Please join us for **Toys to Share Joy** collection in Howell

Each year a group of dedicated volunteers organize this program sanctioned by township officials to collect gifts for hundreds of less fortunate families in Howell. With the challenges of our local and national economy, the list of those in need grows and is just the reason we are starting the holiday collection in September. Thousands of gifts are needed so ensure a special holiday season for those we are reaching out to help.

We will be collecting gifts for over 400 children ages infant to 17 years old. Local businesses, neighborhoods, residents and non-profit groups will be involved with this town wide effort to help our neighbors.

Our loyal customers at Young's Appliance have always been wonderful supporting the programs to help our community and we THANK YOU! From now until beginning of December, **we are asking each of you to bring one toy** for the "Toys to Share Joy" collection in Howell.

Wish you the many blessings you deserve!

THANK YOU!
